● Introduction & Agenda ●

Talent Horizon Multimedia Ltd.- a registered topnotch digital marketing company in Lagos, Nigeria that positively influences the corporate organization, educational industry and community in general.

We and our partners desire to see eFirmx as one of the best "focused on" digital project that maximizes productivity and minimizes expenses which we believe **WILL** be regarded as **a brand work of an effective labour market intervention through Digital Technology Education by 2020.**

**Build Your
Presence Online**

**Target Ready
Customers Online**

**Grow Your
Income 6x Quickly**

% What We Discovered

- **96% of Internet users begin their Web search through a major search engine (Google, Bing, Yahoo, AOL)**
- **85% of all Business Websites from this year research shows that jobs are acquired quickly via online**
- **In January 2018, more than 17.5 billion searches were performed with 342 billion search results**
- **In 2000, about 361 million people were online worldwide. In 2016, there were over 3 billion. That's a growth rate of 764%! Today, nearly half the world is online.**
- **No business will make maximum profit by 2020 if no one knows about what it offers online**
